CALL TO ORDER:
The Meeting was called to order at 7:07pm by Carol seconded by Beth

REVIEW OF MINUTES:
The minutes from August 25, 2011 were reviewed and accepted by Beth seconded by Roger--Carried
The minutes from Sept. 15, 2011 parent emerg meeting were reviewed and accepted by Beth seconded by Warren--Carried

DELEGATIONS:

1) Clinics--Sub Committee--Marc Andre Loiselle will be heading up the body checking clinics. He will be getting coaches to help him with the drills. There will be a meeting next week to set up the details. Beth did a flyer which will be sent out by the Essa News email to get players to sign up. There will be maximum of 30 players in the 3 clinics. We will be charging $5 each to cover the cost of the ice.

2) Sub Committee---ROO 9.1--reviewed ROO 9.1 reimbursement of team official courses. The ROO will stay the same with the exception of wording on 9.1b. "in the case of Coaches and Teams Officials directly responsible for the players in the initiation program"...the "Initiation Program" will be changed to "Ages 7 & Under". Motion # 2 September 22, 2011--to change the wording on 9.1b from Initiation program to players Ages 7 & Under. Motioned by Heidi seconded by Carol--Carried.

3) ROO Changes--Sub Committee--Changes were recommended to the AP rule for the 2011/2012 hockey season to accommodate small teams. Motion #3 September 22, 2011--to change 5.6h to "When using AP Players in a game, the number of players must not exceed 14 players total (AP and rostered players to the team).....change 5.6i to "No single player may play as an affiliated player in more than 10 games in the regular season". Motioned by Beth seconded by Carson--Carried. This also changes Essa Minor Hockey Affiliated Player Policy on Page 31 of EMHA ROOs; second paragraph, to read the following...the number of players used in a game must NOT exceed 14 players total (AP and rostered players to the team). The number of practices to the affiliated team will not be limited. The reasoning is that the AP players should be out practicing with the team so they will be up to speed in game situations and it will help to bond the AP Player with the AP’d team.
CORRESPONDENCE:

1) Correspondence received from a parent of a Midget age player requesting a refund from Essa Minor Hockey. Their child does not want to play rep hockey and they have never played rep hockey in the past. **Motion #4 September 22, 2011**—To refund the money of a Midget age player who does not want to play rep hockey. We are unable to provide him with a Local League team this year. Motioned by Warren seconded by Carson—*Carried*

2) Lori Walkem - Ice Convenor, Lisa Boos - Public Relations, & Lori Densmore - Timekeeping emailed their resignations effective September 9, 2011.

3) **Motion #1 September 22, 2011**—to accept Jim Malcolm as Public Relations Director. Motioned by Beth seconded by Roger—*Carried*

PREVIOUS BUSINESS:

1) OMHA Boundary discussion with Creemore & Honeywood – **CLOSED**

2) Change locks on the equipment room. **Motion #5 September 22, 2011**—to purchase a new lock not to exceed $50. Motioned by Beth seconded by Roger—*Carried*

3) Parking and Gate for the fair was a success and we received a donation from the Agricultural Society. Thank you to all the volunteers for putting in your time to help Essa Minor Hockey.

4) Discussed ways to better collect gate fees at home games this season. Will train managers at the beginning of the year. Hold manager meetings once a month to discuss issues. **-CLOSED**

5) Beth looked into the 50/50 Licence. We can have a blanket Licence that will go up to $5000 in payouts. We have $4000 in payouts for our Family Fundraising Raffle Draw so that only leaves $1000 for the 50/50. We have to have the exact dates and amounts going to be paid out for each 50/50 draw before the Licence is issued. This is next to impossible to be able to predict how much will be brought in for the draws so we are going to go with the Family fundraising Raffle Draw only. **--CLOSED**

6) We will send all the information to Quality Print so they may print the tickets for us—**CLOSED**

7) Revisit the Quorum Rule By-law 10.6 "a Quorum for an executive meeting shall be fifty-one percent or more of the voting executive members...". We changed it to 40% in the May 26, 2011 executive meeting. Do we want to keep it there or change it back to 51% **Motion #6 September 22, 2011**—to reverse the Motion on May 26, 2011 regarding Quorum. We will revert back to the original 10.6 by-law rule of 51% Quorum for an executive meeting. Motioned by Warren seconded by Beth—*Carried*

8) Carson has made a suggestion to have more parent information meetings this year so we can bring back concerns from the membership and deal with them quickly—**OPEN**
