2025-26

HOCKEY CANADA PARTICIPANT SERVICE FEES

Effective for the 2025-26 season, Hockey Canada participants will notice a change in the structure of their annual service fees that directly support benefits provided by the national governing body, including sport safety and hockey development initiatives.

Participants will pay \$41.41 in service fees next season, including insurance, which is an increase of \$11.68.*

The majority of the increase is related to the participant assessment fee, which has not been raised in over 20 years.

The participant fees will be structured as follows:

- Assessment fee will increase from \$3.00/participant to \$10.00/participant
- Sport Integrity fee will increase from \$2.94/participant to \$4.50/participant
- Hockey Canada Registry fee will be \$3.12/participant
- Participant insurance fees **will not** increase for the 2025-26 season and remain \$23.79/participant.

We thank you for your understanding of these changes to our service fees for next season that are necessary to ensure the development, sustainability and safety of Canada's hockey system.

**In Quebec, participants will pay \$39.00, which is an increase of \$10.12, as they have a different fee structure based on provincial legislation.*
