Single Game Assignments

All referees are entitled to receive a \$10 bonus when doing single game assignments. You must let the manager (or whomever is at the door paying you) know that you are doing a single game to receive this.

Arrival

You should arrive 25-30 minutes prior to game. If your partner has not arrived at 20 min mark, call or text them. If you cannot reach them, please text RIC Rob Magloughlen at 705-440-8075.

Reports

Any game misconducts, gross misconduct, or major match penalties must have a note attached to the gamesheet. Now that we are using iPads, the report has to be put in the system before you lock the game. As per norm, provide all details including exactly what was said to you if it resulted in a penalty. If you assess a match penalty, the Match Penalty Form must be filled out, and inform RIC.

Mileage

Mileage will be paid at the annual Canada Revenue Agency (CRA) mileage rate per Kilometre each way with all Officials in one car wherever possible. The rate for this season is \$0.70/km.
