Single Game Assignments

All referees are entitled to receive a \$5 bonus when doing single game assignments. You must let the manager (or whomever is at the door paying you) know that you are doing single game to receive this.

Arrival

You should arrive 25-30 minutes prior to game. If your partner has not arrived at 20 min mark, call or text them. If you cannot reach them, please text RIC John Blanchette at 647-962-5647.

Reports

Any game misconducts, gross misconduct, or major match penalties must be written on the back of the game sheet. Now that we are using iPads, the report has to be put in the system before you lock the game. As per norm, provide all details including exactly what was said to you if it resulted in a penalty. If you assess a match penalty, the Match Penalty Form must be filled out, and inform RIC.
