

EMHA's Annual Golf Tournament Sponsorship Opportunities

Essa Minor Hockey Association is preparing to host its Annual Golf Tournament. Every year we rely on fundraising events like the tournament to keep our registration fees one of the lowest in the area and help more children to be able to participate in the wonderful sport of hockey. With rising costs for hydro, ice time, insurance, uniforms, etc. it is becoming more important each year that we make this event a success. For that, we need your help!
